DEAR MR. ALAND,

On behalf of the Department of Geography at Durne College, I am writing to offer my thanks for your **five** years of service. Unfortunately, due to pending budget cuts, the unprecedented global situation, and reallocation of government funding, we will no longer be renewing your position as **Assistant Lecturer** for Michaelmas Term 2026.

We wish you the best in seeking alternate employment or retirement.

Yours sincerely,

Ms. Deborah Fitzwilliam

Director of Undergraduate Education
